

Overview

Llanllwch Mill is a charming 19th century former Water Mill set in 8.90 acres of unspoilt grounds and land, which has been sympathetically modernised in recent years whilst retaining many character features throughout. The Mill offers 4-bedroom 2-bath, with a 2-bedroom 1-bath self-contained maisonette flat adjoining, suitable as a granny annex, multi-generational living or for letting purposes.

The property is set in a pretty sheltered valley setting surrounded by its own land, with approx. 6.50 acres of grazing land contained in three paddocks, in addition to a parcel of mixed broadleaf woodland set along the river bank, with wildflowers, shrubs and vegetation.

The property is set back off Manor Way in the village of Llanllwch, accessed via a private lane extending to 1/4 mile in length. The A40 dual carriageway can also be reached within 1/2 a mile to the north and Carmarthen town centre within 2.5 miles to the east. Carmarthen is home to an extensive range of amenities and services to include cafés, eateries, independent stores, national retailers and supermarkets. The town is also home to bilingual primary and secondary schools and healthcare provisions.
